

LIFE WITH A CHEVY

COLLIN GOSSEL

INT./EXT. CHEVY PICK-UP TRUCK - LATE AFTERNOON

A FATHER and his young son, DAMIEN, decked out in fishing gear, load into the car with giant smiles. Dad ruffles Damien's hair. Happy, innocuous piano music plays.

V.O.
For every big moment in your life,
Chevy is there.

EXT. GRASSY FIELD - NIGHT

Young-adult Damien and CLARA lie in the grass. They shyly go in for a kiss.

V.O.
For your first kiss-

Damien looks up for a moment.

DAMIEN
That's weird. I thought I parked on
the other side of the field.

Damien's Chevy pick-up is a few feet away from the couple.

V.O.
-Chevy is there. Watching.

EXT. WEDDING CHAPEL - DAY

Damien and Clara, in wedding garb, run down the steps.

V.O.
On your wedding day-

The Chevy is waiting for them, with "JUST MARRYD" scrawled on the back windshield.

CLARA
Didn't we order a limo?

V.O.
-Chevy is part of the family.

INT./EXT. CHEVY PICKUP - GARAGE - NIGHT

Damien and Clara are asleep in the Chevy.

V.O.

Even on Christmas morning-

Damien wakes up and looks around.

DAMIEN

Clara it's happened again.

V.O.

-you can't escape Chevy.

CLARA

We were in our bed you monster!

INT. DELIVERY ROOM - HOSPITAL - DAY

Clara is in labor. Damien is at her side. Doctors and nurses attend to her with a sense of urgency.

Without warning, the Chevy crashes through a wall, honking and revving it's engine wildly. All scream.

CLARA

Damien, help!

The doctor screams in terror, bleeding profusely

V.O.

Chevy wants to see the baby!

DAMIEN

Stay away from my child!

Damien throws a chair at the Chevy, breaking its windshield.

V.O.

Chevy just wants to be a human!

Damien stabs the Chevy with a scalpel. It inches closer to a screaming Clara. Damien begins to sob.

V.O.

What is it like to feel love,
Clara? Chevy must know. Chevy's new
all-terrain four-wheel drive will
follow you through life's great
moments, until you finally die.
